

July 21, 2021 – Melius Professional Consultants, Inc (MPC) announced today the award of a services contract with Domtar. Domtar makes products that people around the world rely on every day. The company designs, manufactures, markets and distributes a wide variety of communication, specialty and packaging papers, market pulp and airlaid nonwovens. This services contract is with the Domtar Mill in Ashdown, Arkansas. Since its opening in 1968, Domtar's Ashdown Mill has steadily grown in size to become one of the largest paper and fluff pulp producing facilities in the world.

The scope of services for MPC is to facilitate performance improvement and implementation of key initiatives at the Ashdown Mill through a number of internal Continuous Improvement (CI) teams. Melius will organize, support and facilitate the development of each team's charter, team meetings, as well as the development and delivery of team presentations to Domtar management.

Chris Buck, President of MPC, said in a statement, "When I started Melius, I knew it was important that we establish a service portfolio that reaches beyond the construction sector. This contract is the first for Melius in the manufacturing realm. We must and we will show Domtar that their confidence in us is well-placed."

Melius Professional Consultants, Inc. is a privately-held corporation with headquarters in Greenville, NC. Its mission is to help clients around the world implement sustainable improvements into their operations.
